

## Conference “Fluids and complexity” - Registration Open

Dear Colleagues,

We would like to draw your attention to the upcoming conference "**Fluids and complexity**" which will be held at **Théâtre du grand château, Campus Valrose, Nice on 5-7 December 2018.**

The aim of this event is to bring together researchers working in several different, but often interconnected, fields of fluid dynamics, including Hydrodynamic, Magneto-Hydrodynamic and Geophysical Turbulence, Statistical Mechanics applied to fluids, Mathematical and Numerical Fluid Dynamics, Non-Newtonian Fluids and Granular Matter, Active Matter and Bio Fluids, Drops, Capillarity and Micro Fluids.

Plenary speakers include:

- **Freddy BOUCHET (Laboratoire de Physique, ENS Lyon)**
- **Marc BRACHET (LPS, ENS Paris)**
- **Bérengère DUBRULLE (IRAMIS, CEA Saclay)**
- **Yoël FORTERRE (IUSTI, Marseille)**
- **Sergei KUKSIN (IMJ, Sorbonne Université)**
- **David QUERE (PMMH, ESPCI Paris)**
- **Salima RAFAI (LIPhy, Université Grenoble Alpes)**
- **Patrick TABELING (IPGG, ESPCI Paris)**

**Registration deadline is 29 October 2018**

**You are invited to submit an abstract for oral or poster presentation before 19 October 2018**  
(you will be informed about the selection of your abstract on the 25 October).

You can find more detailed information, registration and abstract submission form at the conference website

<https://fluidcomplexity.sciencesconf.org/>

A limited number of free accommodations will be available for young researchers. We look forward to welcoming you in Nice in December.

Sergei Nazarenko (Institut de Physique de Nice),  
Yves D'Angelo (Laboratoire J.A. Dieudonné),  
Celine Cohen (Institut de Physique de Nice),  
Giorgio Krstulovic (Laboratoire J.L Lagrange),  
Rudy Valette (CEMEF)
