

Mechanics Department

Assistant professor position in solid mechanics

Application deadline: march 1st 2021

Anticipated starting date: September 1st 2021

The Department of Mechanics at École Polytechnique invites applications for a faculty position at the Assistant Professor level in solid mechanics., starting September 1st, 2021.

Candidates must hold a PhD and have demonstrated excellence in research and teaching. They are expected to teach courses in mechanics at different levels (Bachelor, Engineering school and Master), and to contribute to the department's course offer at both the undergraduate and graduate levels.

The candidate will conduct original research in solid mechanics within the laboratory of solid mechanics of the Ecole Polytechnique (LMS). The candidate should submit a complete CV along with a research project and a teaching statement with their application.

In terms of responsibilities, duties, and salary, Assistant Professor positions at École Polytechnique are equivalent to the French academic positions of “Maître de Conférences”.

Interested candidates are invited to contact rapidly the Department Chair, Christophe Josserand (christophe.josserand@polytechnique.edu) and LMS Head, Andrei Constantinescu (andrei.constantinescu@polytechnique.edu).

Applications are submitted directly via École Polytechnique's website (<https://candidatures-calliope.polytechnique.fr/calliope-fo/accueil/index.php>). The application deadline is **March 1st 2021**.
